PONY EXPRESS COUNCIL ANNUAL REPORT 2018

United
Way

JOURNEY TO EXCELLENCE

The Pony Express Council had a terrific year in 2018 as we saw a membership increase and new programs introduced throughout the 15 counties of northwest Missouri and 3 counties of northeast Kansas.

We had more than 3,000 Scouts living out the Scouting adventure at one of our several summer camping opportunities locally. Scouts and Scouters from fifteen states continue to call Camp Geiger their home for camping and adventure!

Forward thinking along with new and innovative programs and continual focus on strengthening our assets have helped position the Pony Express Council to continually serve more young people.

2018 saw the addition of the Lion program for kindergarten age Cub Scouts as well as the recruitment of girls into our existing Cub Scout packs or through the organization of new all girl Cub Scout packs.

The Pony Express Council earned the Gold level rating on the Journey to Excellence score card. This was a national BSA scoring system for all Boy Scout councils, criteria is based on fiscal management, membership growth, camping, adult leader training, executive board governance, community service, as well as other key performance indicators.

Scouting and everything it gives back to the community could not be accomplished if it were not for the ongoing continued dedication and support of more than two thousand adult Scouting volunteers and hundreds of other community leaders who believe so strongly in the values and guiding principles of the Boy Scouts of America. Thank you for all that you do for Scouting.
